ABOUT PRIMERO As a business, we put our people first by keeping them safe, providing an opportunity to work on exciting projects and investing in their development. Our team live and breathe our Core Values of Efficiency, Accountability and Integrity . We are looking for a Structural Engineer to join our Engineering Team. Reporting to the Civil / Structural Discipline Manager, you will be required to work across a continuous succession of projects as they progress through the project lifecycle from early concept development, detailed design, construction, commissioning, and operations. **Role Responsibilities:** Ensure compliance of design products with the Design Procedure. Produce and ensure design products comply with applicable legislation, standards, client, third party and project requirements. Ensure technical compliance of design products. Ensure design products are delivered in accordance with the project budget and schedule. Ensure designs are fit for purpose and consider all aspects including, cost, constructability, operability and maintainability. **Education and Experience:** Bachelor of Civil Engineering (recognised by IEAust). 3+ years' experience in the mining/mineral processing or oil and gas sector. Thorough knowledge and practical application of relevant industry codes of practice. Advanced level of expertise in technical detail of Structural Engineering. Ability to rapidly understand and assimilate project and client specific requirements. Knowledge and practical application of design theories, principles and practices. Experience with development of technical engineering documents, drawings, schedules, and models. Site experience during construction and commissioning preferred. **What We Offer:** An excellent workplace culture driven by our values (Efficiency, Accountability, Integrity) . Competitive Remuneration & Staff Discounts, Benefits and

PerksFree onsite Gym (at Osborne Park) & Cheap CoffeeDiversified project portfolio, working with World Leaders in Global Resource Projects. Primero is an Equal Opportunity Employer you will be seen, heard and encouraged to bring your whole authentic self to work. We value every voice, idea and opinion because we believe diversity unlocks innovation by creating an environment where 'outside the box' ideas are encouraged. Great ideas come from everywhere in the company and the next one could be yours. Join us if you're game for challenging and meaningful work with a company that truly puts its people first.
