

Systems Architect // Security Clearance Required

[Apply Now](#)

Company: Confidential

Location: North Ryde

Category: computer-and-mathematical

Looking for the next step in your career? We're working with one of the world's leading Defence businesses in their search for a Systems Architect. This is a fantastic opportunity to work with a behemoth in the Defence industry and contribute to their transformation journey of modernisation. This is an initial 3 month contract role, working on-site in the Sydney CBD, with a great deal of flexibility around rate.

They're looking for a Systems Architect with Baseline security clearance or above to join them on the deployment of an anti-virus software.

What they're looking for in you:

Previous experience as a Systems Architect, working on Windows and Linux OS systems.

Experience working on backup and storage.

Baseline security clearance (or above) **[ESSENTIAL]**

What they can offer you:

A flexible day rate, tell me what you're after!

A fantastic working environment, with hybrid working available.

The opportunity to be part of a large scale transformation project, helping secure the business as a market leader.

Sound interesting? Drop in your CV and we will be in touch soon!
