

Systems Engineers - Defence - Land - Sea - Air - Joint Domains

[Apply Now](#)

Company: Kinexus

Location: Australia

Category: architecture-and-engineering

Systems Engineer - Defence (Canberra + Sydney)

Systems Engineering roles across Land/Sea/Air and Joint Domains

NV1 clearance

Urgent Roles + Immediate starts

This is an exciting to join this company - they are reengineering their workforce to provide greater capability to Defence across key domains. They are undergoing a rapid expansion based on new projects as they have recently won.

If you have held a role as a systems Engineer within a Defence environment then these roles are exciting opportunities to develop your career - whether you have worked above or below the line.

Key Responsibilities:

Responsibilities:

Provide a range Systems engineering activities directly to the commonwealth

Establish comprehensive system requirements, architectures, and design specifications

Lead multidisciplinary integrated product teams from concept through deployment

Ensure adherence to systems engineering plans, schedules, budgets, and quality standards

Coordinate external supplier and partner interfaces, data exchanges, and technical reviews

Drive continuous process improvement and adoption of emerging tools/technologies

Mentor and develop junior systems engineers on large-scale, complex programs

Interface with stakeholders to understand capability needs and present technical solutions

Qualifications and Experience:

Minimum NV1 clearance - NV2 preferred

Bachelor's degree in Systems Engineering, Mechanical, Electrical, Software Engineering, or a related field.

Minimum of 3 years of experience in systems engineering in the defence or aerospace industry.

Experience in Multi-disciplinary teams across ADF+ APS

This is an exciting opportunity to contribute to critical defence projects and work with cutting-edge technologies. If you have the required skills and experience, and a passion for innovation, we want to hear from you!

All applications should include your resume as a word document. For more information, visit our website, www.kinexus.com.au or contact Raj Kutty on 02 9492 7500 #LI-RK
