Company: Kuehne+Nagel

Location: Eastern Creek

Category: Other-General

Seeking a Team Leader to join our Contract Logistics team in Eastern Creek! ****Your Role****

The Team Leader is responsible for directing the daily activities for a specified area of warehouse operations, including labour scheduling, supervision and the proper proceeding of warehouse procedures. Coming from a warehousing background you will have had experience in a similar role with leadership responsibilities and ideally have strong communication and organisation skills.

****Your Responsibilities****

- To complete duties relating to warehousing and distribution as required
- To assess workloads within the allocated teams and allocate resources adequately on a day to day basis: operations, administration, cable cutting and cycle counting teams
- To assist in establishing key performance indicators and to ensure these are met at all times
- To ensure that customer service and quality targets are met and/or exceeded
- To ensure the that the Warehouse Management and Inventory System is maintained efficiently and accurately
- To ensure that all data entry relating to the movement of stock is completed accurately and on time
- To ensure that all documentation is filed as per operational and company requirements
- To ensure that all company equipment is handled and driven in a responsible manner at all times
- To ensure correct supervision is in place for any trainee fork lift operators

****Your Skills and Experiences****

- + Experienced in 3PL
- + Experience in leading a team
- + A role model for your team
- + A confident communicator

****Good Reasons to Join****
