About us

blueAPACHE is an Australian owned award-winning Managed Service Provider, recognised for the 5th year running, as Mid-Market Partner of the Year at the ARN Innovation Awards.

We pride ourselves on being a genuinely great place to work, with a vibrant culture, clear vision, and strong leadership. When joining blueAPACHE, you are joining an organisation that is driven by our core values of employee and customer experience. We are proud to be an equal opportunity employer and are committed to building a diverse and inclusive workplace where we embrace our individual talents, and our differences.

We have another exciting opportunity for a Technical Project Manager to join our growing Professional Services Team.

The successful candidate will ideally be based in Melbourne but open to speak to candidates in Sydney and Brisbane too.

Responsibilities

Prepare project plans and maintain these to ensure projects are delivered within agreed scope, on time and within budget.

Client relationship and stakeholder management, ensuring client stakeholders are kept informed on project status

Hold regular technical team meetings and stakeholder meetings to determine progress and address any questions or challenges regarding projects you are managing.

Proven experience as a Technical Project Manager with a strong background in Systems, Cloud and Network Engineering.

Previous experience delivering infrastructure projects including some or most of the following technologies: MS Azure, IAAS, and public cloud, Office 365 Suite, MS Teams and VOIP, WAN transformation and security, Windows Server, Citrix, VMware and associated storage.

Relevant Project management certifications (e.g., Prince2, PMI, AIPM) with practical application of these skills.

Previous role with an IT&T System Integrator, Professional Consulting Services, or similar organisation.

blueAPACHE continues to grow alongside some of Australia's leading midmarket businesses, our valued clients. We stay abreast of current technologies to maintain our competitive advantage, offering the opportunity to develop professionally and provide an uncompressing offering to our clients and internal stakeholders. We recognise our people are our most significant differentiator.

Competitive Salary

Ongoing training and development

Uncompromising values, driving a successful and happy work culture

We offer options for you to interview virtually

blueAPACHE offers an environment to make a real difference, develop careers within a supportive and rewarding environment

Regular social events and an awesome crew of colleagues – work with a team of experts in their field

Quality hardware / equipment provided

Employee referral programs - once you are in and you are loving it - you can refer a friend / past colleague and get paid for it!Please note, all offers of employment at blueAPACHE are subject to Police Clearance Checks.#J-18808-Ljbffr
