Imagine being able to have that work-life balance and ditch the 9-to-5 grind. Discover freedom and flexibility, shape your work around your life, and experience the transformative power of pursuing your dreams and goals. Join the world of Personal Development and Success Creation! We work in partnership with a global company which distributes award winning educational products to clients worldwide. These products are designed to educate people to think effectively for themselves so they can make positive changes to their lives, enabling them to achieve their lifelong desires. This is a wonderful opportunity for independent contractors as it's a performance-based income that relies on your passion and perseverance to create success. There's no need to stock products as everything is online. We offer a ready-to-go online business system that has been proven to work. It's ideal for those with entrepreneurial spirit, so they can work part-time and potentially earn a full-time income. With the latest technology and effective processes, we offer a true opportunity to earn an unlimited income and have more free time. The only prerequisite is having a minimum of 4 years working for a company or in your own business. You MUST be an Australian or New Zealand citizen or resident. What is on offer: Work from home and set your own hours—you just need a laptop and phone. Start part-time while maintaining your current job, then smoothly transition to your new remote life. Use a simple proven system and a well-designed range of custom business tools with 1:1 support. Comprehensive training and an ongoing support network. Experience remarkable personal and financial growth. What you will be doing: Engaging with qualified candidates and conducting short scripted business interviews. Create marketing for online advertising and social media, extensive training

given Establishing, coaching and mentoring your own team, lead by example Participating in online weekly training sessions for ongoing upskilling and professional development Immerse yourself in our award-winning Personal Development materials – become a product of the product and remain an active student of self growth And here's the best part: You don't need experience in this industry however it is essential that you are ready to take on a journey of working independently and for yourself We give ongoing training and full support for your success You'll join a supportive community of like-minded people You'll see your own personal growth and help others grow Find out about all the possibilities waiting for you by registering NOW. We'll do an initial 5-10 minute interview to see if this is a good fit for you.
