Calling UK and New Zealand GPs you a skilled and passionate General Practitioner looking to embark on an exciting new adventure?

We are thrilled to offer fantastic opportunities for GP's from the UK or New Zealand, to bring their expertise to Australia. We offer advice and guidance on pathways to working as well as assistance with relocation and visa processes.

South Australia is a state located in the southern central part of Australia. It is known for its diverse landscapes, cultural attractions, and unique history. Here are some key features and characteristics of South Australia:

- 1 . **Geography and Landscape** South Australia boasts a varied geography, including coastal regions along the Great Australian Bight and the Southern Ocean, as well as arid interior areas. The iconic Flinders Ranges offer stunning mountain landscapes, and the Eyre Peninsula is famous for its rugged coastline.
- 2 . **Adelaide:** The capital city of South Australia is Adelaide, which is known for its well-planned layout, wide streets, and green spaces. It's often referred to as the City of Churches due to its numerous historic churches and cathedrals.
- 3 . **Wine Regions** The state is renowned for its wine production, with world-famous wine regions like the Barossa Valley, McLaren Vale, and Clare Valley. These regions are known for producing high-quality wines, particularly Shiraz.
- 4 . **Cultural Festivals** Adelaide hosts various cultural events and festivals, including the

Adelaide Festival, Adelaide Fringe Festival, and WOMADelaide, which celebrate the arts, music, and diverse cultures.

- 5 . **Kangaroo Island** : Located off the coast of South Australia, Kangaroo Island is a wildlife haven known for its pristine beaches, wildlife, and conservation efforts.
- 6 . **Education and Research**The state is home to several reputable universities and research institutions, including the University of Adelaide and Flinders University.
- 7 . **Tourism**: Tourism is a significant industry in South Australia, driven by its natural attractions, cultural heritage sites, and outdoor activities.
- 8 . **Agriculture** In addition to its wine production, South Australia is involved in various agricultural activities, including grain farming and livestock production.
- 9 . **Marine Life** The Great Australian Bight is an important marine ecosystem that supports a diverse range of marine life, including whales, seals, and seabirds.

If you are ready to take the next step in your career and embark on an exciting journey in Australia, we want to hear from you! Please submit your CV and a cover letter outlining your experience and motivation for the role and emailshania@jpsrecruit.com.au.
