

Warehouse Operator

[Apply Now](#)

Company: Timberlink Australia

Location: Gillman

Category: transportation-and-material-moving

About Timberlink:

Timberlink Australia & New Zealand is a sustainable leading softwood timber products manufacturing and distribution business, employing over 600 people. Our world class manufacturing sites are located close to some of the best renewable plantation pine resources in the world - Bell Bay in Tasmania & Tarpeena in South Australia. Our fit-for-purpose indoor and outdoor plantation pine products are suitable for building new homes, renovation projects and other industrial manufacturing applications including packaging, pallets, and furniture components.

At Timberlink we embrace innovation, and this drives our constant growth. We are currently building two purpose-built manufacturing plants to adjoin our existing facilities at both of our sites. Complementing our already diverse range of products, we will be manufacturing new timber products including cross laminated & glue laminated timber (NeXTimber) and wood-plastic composite decking & screening, expanding our business into new markets in 2023. These products will take Timberlink from being primarily a structural timber manufacturer to a structural engineered timber products and solutions business.

About the role:

Due to continued growth in the business, we are now searching for a skilled Forklift Driver to join our small but dedicated warehouse team at Gillman, working day shift between the hours of 7am – 3pm Monday to Friday.

We are requiring a candidate who has demonstrated experience driving forklifts the

majority of the time in their previous roles (i.e 80-90% forklift driving and 10-20% pick packing or other adhoc warehousing duties).

What we require you to have:

Valid High-Risk Forklift licence with minimum 3+ years experience

Experience moving length products such as timber, aluminium and steel - highly regraded but not essential

An outstanding safety record and ability to demonstrate safe forklift operation practices

An eye for detail and accuracy

Own car and licence

Exceptional communication, numeric and literacy skills

Positive attitude with a strong work ethic

What we can offer you:

Pathways through structured on the job and off the job training

Excellent working conditions

Opportunity to work with an experienced and dedicated team

Timberlink is an equal opportunity employer, we encourage all applicants with the RIGHT TO WORK in Australia to apply (Australian residency or a valid AUS work VISA).

If you would like to know more, or wish to apply for the role, please submit your application including your cover letter and CV to careers@timberlinkaustralia.com.au.
