

Workshop Manager

[Apply Now](#)

Company: Core Talent Pty Ltd

Location: Townsville

Category: other-general

Company Your new company is a well-established civil construction and infrastructure company with multiple decades of experience. They have multiple branches of the business and are currently in need of experienced workshop manager to look after their workshop facility which services their large fleet of mobile plant equipment and heavy vehicles. Role In your role as the workshop manager, you will be responsible for overseeing all workshop related duties, assigning work orders to the fitters, ensuring work orders are completed on time and to the required spec. You will also provide breakdown support when required as well as logging all maintenance activities and part usage. Requirements The successful candidate will have: Previous experience as a workshop manager or supervisor in a similar environment/industry Relevant trade qualifications - diesel fitter/heavy diesel mechanic Strong diesel motor, hydraulic, and electric over hydraulic knowledge Strong WHS knowledge Currently located in Townsville or looking to relocate there permanently Rewards In return you will enjoy a secure permanent role as well as your company provided vehicle, you will also get exposure to a variety of equipment and perform an essential role that keeps the company moving. What to do now If you feel you have the right skills and experience apply directly through the advert or reach out to Isaac Hill on 0430 484 498 with any further questions.
