

Zero Harm Advisor

[Apply Now](#)

Company: Downer

Location: Sydney

Category: other-general

Health, Safety & Environment (Construction) At Downer we plan, create and sustain.

Downer is the leading provider of integrated services in Australia and New Zealand. Through trusted relationships and world leading insight we work closely with our customers to design, build and sustain assets, infrastructure, and facilities. Downer is a leading infrastructure group connecting industries and communities with vital infrastructure. Downer has a strong focus

on Transport, Utilities, Facilities and Asset Services and is responsible for creating, operating and maintaining public and private assets serving millions of people every day. THE ROLE

Reporting to the ANZ Zero Harm Manager - Power Projects, we have 2 separate opportunities for experienced Safety professionals to join our ever-growing team on the

Molonglo (ACT) and TG PEC (NSW) Substation Projects in a full-time capacity. These are

FIFO positions, operating 20 days on and 8 days off. We encourage applications of those who are living in the locations of Canberra, Brisbane, Sydney or Melbourne. As a Zero Harm

Advisor , you will have the opportunity to guide, support and develop the operational

team's mentality toward Safety to ensure adherence to the Downer Zero Harm standards, legislative requirements and above all else, ensure our people return home safely every day.

Some key responsibilities of the role include: Coach Project Managers, Engineers, supervisors and field crews to successfully promote and foster a proactive culture of Zero

Harm and environmental safety. Ensure application of Downer Zero Harm standards and

legislative requirements to all work activities. Conduct observations, site inspections and audits.

Investigate incidents, injuries or breaches of safety and environment procedures. Manage

incident reporting within Downer and Client systems. ABOUT YOU Minimum 3 years of

operational safety exposure within a project-based environment or equivalent trade-based experience (Energy, Utilities or Civil industry experience preferred). Prior utilisation of Health Safety & Environment Management systems. Certificate IV in OHS/WHS. Degree Qualification in OHS/WHS (advantageous but not essential). ICAM lead investigator Auditing (advantageous but not essential). Demonstrate a high level of emotional intelligence, communication, and problem-solving skills. OUR OFFER: Support from the Senior Leadership team with a focus on career progression. Suite of benefits including health and wellness initiatives. Support a collaborative contract with a focus on relationships. Inclusive work culture that embraces diversity and inclusion. Access to wider Downer group opportunities. Our aim is to create a workplace where people are respected and encouraged to fulfil their potential. We embrace all employee difference and foster a culture that supports diversity and inclusion. Apply for this great opportunity by visiting or clicking 'apply' below. For further information contact: Ainsley Parmenter | Recruitment and Sourcing Business Partner | Applications will not be accepted via email. Please submit your application via the advertisement.
